# FREESTANDING WALLS PROTECTION DIVIDERS

**A range of complementary products designed to create zoning, walkways, partitions, and semi-private workspaces to provide safety barriers between individuals. Ideal for dividing open plan spaces, whilst still providing line of sight.**

Brand and personalise your walling to design your space with a range of materials including acrylic, fabric, ACM, and foamboard. All of which can be customised to suit a range of purposes.

T3's modular capabilities make it easy to reposition as required!

## GOOD TO KNOW

- Modular walling for maximum flexibility
- Panels join to create infinite walling configurations
- Flexible for a huge range of applications
- Walls are 1.5m or 2m high
- Quick and easy to build without the need for tools
- Can be flat packed when not in use
- Customisable options and custom panel sizes available

AVAILABLE IN ACRYLIC, FABRIC,  
ACM, AND FOAMBOARD.

**1M WALL****2M WALL****3M WALL****2M WALL ON WHEELS**

Supplied with plain white fabric as standard or customise with printed graphics. Single skin walls have exposed beams to the reverse.

Walling is available in 1m, 2m, and 3m sections and can be joined together to create even longer walls. Custom sizes also available.

Choose either double flat feet or wheels for complete mobile flexibility.

**Double Flat Foot****Wheel Foot**

SEND US A SCRIBBLE, AND WE WILL DESIGN YOUR WALLING TO SUIT YOU.

**1M WALL**

Full height acrylic panel with aluminium frame.

**1M SPLIT PANEL WALL**

Two section acrylic panels and aluminium frame.

**2M WALL**

Connect panels together however you'd like.

**2M SPLIT PANEL WALL**

Acrylic top panel and ACM or foamboard lower section.

**1M L-SHAPE WALL**

Join panels to create functional zoning.

**GOOD TO KNOW**

- Available in 1m and 1.5m wide
- Use portrait or landscape
- Acrylic panels come with beam feet, except for the 1.5m \* wide panel which is supplied with double flat feet for extra stability
- Note, a 1.5m w x 2m h single sheet of acrylic will be more expensive to ship due to its size

**Dimensions for acrylic full height panels.**
